To amend the Homeland Security Act of 2002 to establish a Department of Homeland Security Reserve Service, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

MARCH 13, 2018

Mr. CARSON of Indiana introduced the following bill; which was referred to the Committee on Homeland Security

---

## A BILL

To amend the Homeland Security Act of 2002 to establish a Department of Homeland Security Reserve Service, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Department of Home-  
5 land Security Reserve Service Act”.

6 **SEC. 2. FINDINGS; PURPOSE.**

7       (a) FINDINGS.—Congress makes the following find-  
8 ings:

9               (1) Components within the Department of  
10          Homeland Security face personnel shortages related

1 to hiring processes, retention of employees, and  
2 surges in need.

3 (2) In response to the devastation caused by  
4 Hurricane Harvey, Hurricane Irma, Hurricane Jose,  
5 and Hurricane Maria, the Federal Emergency Man-  
6 agement Agency has deployed thousands of their  
7 temporary on-call reservists and specialized Cadre  
8 On-Call Response/Recovery (CORE) workforces.

9 (3) In 2017, the Director of the United States  
10 Secret Service asked Congress to increase federally  
11 mandated caps on salary and overtime for the agen-  
12 cy. At the time of the request, more than 1,000  
13 agents had worked numerous, uncompensated hours  
14 of overtime. The Director cited a protracted pres-  
15 idential campaign, a large first family, ongoing per-  
16 sonnel shortages, and increasing demands in inves-  
17 tigative missions as having strained the organiza-  
18 tion.

19 (4) In 2015, the Committee on Oversight and  
20 Government Reform of the House of Representatives  
21 issued bipartisan report documenting the Secret  
22 Service as understaffed, overburdened, and “in cri-  
23 sis”. The agency has posted announcements to hire  
24 annuitants for the position of investigator to help  
25 mitigate shortages in their investigative mission.

1                         (5) In 2016, Congress approved a request from  
2 the Transportation Security Administration to hire  
3 new officers and pay overtime to ease travel disruptions  
4 and increase security.

5                         (6) The Transportation Security Administration  
6 2017 budget request calls for the first Federal Air  
7 Marshal class since 2011.

8                         (7) In 2017, Customs and Border Protection  
9 and Immigration and Customs Enforcement initiated  
10 a hiring surge. The Carl Levin and Howard P.  
11 “Buck” McKeon National Defense Authorization  
12 Act for Fiscal Year 2015 (Public Law 113–291), ex-  
13 tended the temporary authority for agency heads  
14 (including the Secretary of Homeland Security) to  
15 grant dual compensation waivers for certain part-  
16 time, temporary reemployed annuitants through De-  
17 cember 2019. Dual compensation waivers allow re-  
18 employed annuitants to receive an unreduced salary  
19 while concurrently receiving their full pension ben-  
20 efit. U.S. Customs and Border Protection is cur-  
21 rently making use of this dual compensation waiver  
22 authority in efforts to rehire retired Customs and  
23 Border Protection officers as reemployed annuitants  
24 to support recruitment and training efforts.

1       (b) SENSE OF CONGRESS.—It is the sense of Con-  
2 gress that by establishing a reserve service comprised of  
3 skilled, ready-to-work former employees, components of  
4 the Department of Homeland Security can better mitigate  
5 personnel shortages and meet emergent demands without  
6 unnecessarily recruiting, hiring, and training new perma-  
7 nent employees.

(c) PURPOSE.—The purpose of this Act is to establish a reserve service to assist the Department of Homeland Security in maintaining a skilled, ready-to-work pool for performing non-continuous duties of investigation, patrol, response, security, protection, recovery, and inspection. The reserve service capitalizes on investments in human capital, providing for efficient and effective service to agency stakeholders. The reserve service is for temporary needs and shall not be used to supplant new hires.

19           (a) IN GENERAL.—Title VII of the Homeland Secu-  
20 rity Act of 2002 is amended by adding at the end the fol-  
21 lowing new section:

22 "SEC. 708. DEPARTMENT OF HOMELAND SECURITY RE-  
23 SERVE SERVICE.

24        "(a) ESTABLISHMENT.—The Secretary of Homeland  
25 Security may establish a Homeland Security Reserve Serv-

1 ice (hereinafter referred to as the ‘Reserve Service’) in  
2 each covered component of the Department, which shall  
3 provide for the temporary employment of former employ-  
4 ees of the covered component and the temporary reemploy-  
5 ment of annuitants of the covered component to stand  
6 ready to mobilize during elevated demands for, or critical  
7 shortages of, personnel and in times of crisis. The Sec-  
8 retary shall develop and implement an expedited process  
9 for hiring such employees and shall not use a competitive  
10 process.

11       “(b) COVERED COMPONENTS.—In this section, a cov-  
12 ered component is any of the following:

5                 advisory duties as required;

6                 “(B) are citizens of the United States; and

7                 “(C) the Secretary determines are fit to

10                 edge, and ability.

11                 “(2) SERVICE.—An individual who is employed  
12                 or reemployed under this section may be employed  
13                 on a full-time or part-time basis. The period of such  
14                 employment or reemployment may not exceed one  
15                 year for each assignment for which the individual is  
16                 called into service.

17                 “(3) PAY.—

18                 “(A) IN GENERAL.—Except as provided in  
19                 subparagraphs (B) and (C), an individual who  
20                 is a member of the Reserve Service shall not be  
21                 compensated except for periods during which  
22                 the individual performs active service in the Re-  
23                 serve Service. For any period during which such  
24                 an individual is not performing such service, the

1 individual shall be an employee of the Depart-  
2 ment in a non-duty, non-pay status.

5 in addition to compensation provided under  
6 subparagraph (A), an individual who is a mem-  
7 ber of the Reserve Service may be compensated  
8 for—

9                 “(i) not more than 80 hours per year  
10 for coordination activities with the Reserve  
11 Service; and

12                 “(ii) not more than 80 hours per year  
13 while completing mandatory training.

14 “(C) EMPLOYMENT-RELATED ACTIVI-

18 pensated for the performance of employment-re-  
19 lated activities that are time-consuming and re-  
20 quired for employment or continued employ-  
21 ment. For purposes of this subparagraph, the  
22 term ‘time consuming’ means requiring more  
23 than 15 minutes of time.

Time employed in a position under this section shall not count toward competitive status, career tenure, or, consistent with subsection (d), any additional benefits provided under chapter 83 or 84 of title 5, United States Code.

13                   “(5) NUMBER OF PERSONNEL.—

14               “(A) IN GENERAL.—The employment or  
15               reemployment of individuals by a covered com-  
16               ponent under this section shall not—

17                         “(i) supplant the hiring of new em-  
18                         ployees by the component;

22                         “(iii) force an employee out of a posi-  
23                         tion held by that employee so that the em-  
24                         ployee can be employed or reemployed  
25                         under this section.

1                 “(B) OVERSIGHT.—The Inspector General  
2                 of the Department shall—

3                         “(i) provide oversight to ensure the

7                 malfeasance or violation of subparagraph  
8                 (A).

9                 “(6) PREFERENCE IN HIRING.—No individual  
10                 shall receive a preference in hiring or employment in  
11                 any position in any Federal department or agency by  
12                 reason of the employment or reemployment of the  
13                 individual under this section.

14                 “(7) APPLICABILITY OF ETHICS LAWS.—All  
15                 Federal laws and Department regulations and stand-  
16                 ards of conduct relating to ethics shall apply with re-  
17                 spect to an individual who is employed or reem-

19                 full-time employee of the Department.

20                 “(d) ANNUITANTS.—

21                 “(1) IN GENERAL.—If an annuitant becomes  
22                 temporarily reemployed pursuant to this section,  
23                 such annuity shall not be discontinued thereby. Sub-  
24                 section (c)(4) shall not be construed to effect any  
25                 Federal benefits that such an annuitant is entitled

1       to by virtue of employment in the civil service prior  
2       to reemployment under this section.

3           “(2) DUAL COMPENSATION WAIVER.—The Sec-  
4       retary may provide dual compensation waivers for

10      Department.

3 the item relating to section 707 the following new item:  
“708. Department of Homeland Security Reserve Service.”.

4       (c) IMPLEMENTATION.—

5           (1) IMPLEMENTATION DEADLINE.—The Sec-

10 of the Homeland Security Act of 2002, as added by  
11 subsection (a), by not later than 180 days after the  
12 date of the enactment of this Act.

13           (2) EXTENSION AUTHORITY.—

14           (A) IN GENERAL.—If the Secretary deter-
